

## AUTISM TREATMENT CENTER NONPUBLIC SCHOOL

The Autism Treatment Center's nonpublic school is approved by the Texas Education Agency and serves individuals with autism and related conditions who have challenging behaviors that prevent them from learning in a public school setting. We offer year-round education for school-age children (up to age 22) using small student-to-teacher ratios and principles of Applied Behavior Analysis (ABA).

### OUR PROGRAM OFFERS:

- Individualized curriculum based on the student's IEP (Individual Education Plan) developed in collaboration with the referring Independent School District
- Certified Special Education Teachers
- Speech and Occupational Therapy
- Board Certified Licensed Behavior Analysts that oversee evidence-based behavioral interventions and supports
- Day school and residential options based on need as determined by the contracting School District

### ELIGIBLE STUDENTS MUST:

- Have a primary diagnosis of autism or a related condition
- Be placed through their School District
